IANDS IS NEUTRAL AND RESPECTS DIVERSE OPINIONS

From the IANDS Board of Directors:

IANDS members from around the world have diverse views on many topics. As an organization, IANDS is neutral and does not align itself with any particular social, religious, or political ideology. We promote respectful dialogue.

The information contained in this web site and conference program is provided as a service to the Internet community, and does not constitute legal, medical, or therapeutic advice. Reference herein to any specific commercial products, process, or service by trade name, trademark, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, recommendation, or favoring by the International Association for Near-Death Studies. The viewpoints and opinions of named authors and speakers expressed herein do not necessarily state or reflect those of the International Association for Near-Death Studies, and shall not be used for advertising or endorsement purposes.
